

My Communication

This term we will be working on our social skills and friendships in our new classes. We will be reading a range of stories about making friends/being a good friend/being in new classes. We will also continue to work on our phonics through Little Wandle and our writing skills by sharing our thoughts and ideas with our friends.

My Imagination

This term we will be experimenting and exploring with pattern and texture. We will be looking at pattern designs and making our own designs using a range of skills like printing. This will also run into our music sessions where we will be learning songs/chants/rhymes that have repeating patterns.

Myself and Others

This term in PSHE, we will be learning about our different emotions, and beginning to create a bank of strategies to support us when feeling this way. In RE, our focus this term is around Christianity, Islamic and views from Judaism, highlighting what Good Choices are. Within, SRE, our main focus is looking at Relationships and friendships, and working towards building new friendships in their new classes.

My Problem Solving

In My Problem Solving lessons we will have a focus on addition and subtraction as well as shapes. We will be taking part in a range of activities that enable us to use these skills that we are learning.

My World

This term we will be exploring materials and their uses. We will be looking at a range of materials and learning about how they are used in every day life. We will be experimenting which materials make the best houses, boats etc... As well as this we will be comparing how houses were built in the past and how they are built now and the materials that they used.

Using Technology

In Using Technology, we will be learning about online safety and how to keep ourselves safe online. We will be doing this through stories, role play and discussions around what information is public and what information is private.

P4C

In P4C we will be developing our understanding of reciprocal interactions and developing relationships with our new friends in class.

My Independence

This term we will be developing our independence skills with our everyday routine e.g. washing hands, doing zips, putting shoes on. We will also be developing our understanding of dangers in the classroom and around school and how to keep ourselves safe.

My Health

In PE, we are looking at ways to move around the room and the different directions we can take.

In Cooking, our main focus is exploring and trying new ingredients, and engaging with developing chopping, mixing and spreading skills.

Let's have fun at school
